

How to Download our Maps from the Avenza App

Avenza Maps can be used on any Android or Apple smartphone or tablet. To Download the App you will need Wi-Fi or Internet access, however when you are using the maps while paddling you do not need internet access.

You can download maps via:

1. Paddling Trails SA website using a QR Scanner & the Avenza App.

Or

2. Direct from the Avenza App

MAP DOWNLOAD FROM THE PADDLING TRAILS SA WEBSITE.

- Step 1: Download the Avenza App onto the device that you will take outdoors with you. The App can be found in the Apple App Store and the Android Play Store.
- Step 2: Download a QR Scanner onto the device. A QR Scanner can be found in the Apple App Store and the Android Play Store.
- Step 3: Visit https://www.paddlingtrailssouthaustralia.org.au/ on a different device
- ** Please note: to use the QR Scanner you will need to be able to see a code on another device (e.g. another phone/tablet, laptop etc.)
- Step 4: Each paddling trail has a QR code. Simply find the trail you wish to use and use the QR Scanner to scan the code located on the page.

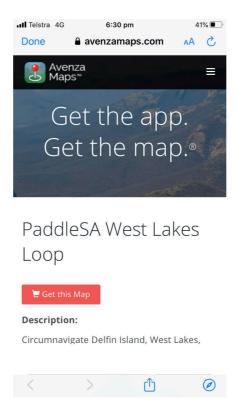

Step 5: The Scanner will take you to a link, similar to below, click Open Link and it will take you to the Avenza Map you wish to use.

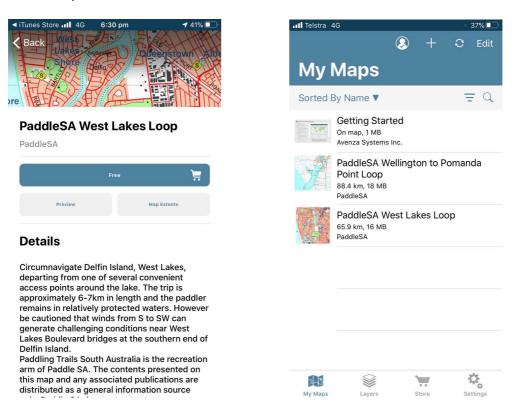

Step 6: By clicking 'Get this Map', you will be asked to open the Avenza Map. Click Open 'OK' and Avenza Maps will open to the required page.

Step 7: Click Open Map 'Free' and click again when presented with the **Download?** button. The map will download and open, ready to use. If you wish to find the map again, simply click 'My Maps' at the bottom of your Avenza App screen and your downloaded maps will be listed
